

The Great Green Picnic

Wednesday, 03 June 2009

Last Updated Monday, 17 August 2009

At Manor Road Recreation Ground on Sunday 5th July 12-3pm WACA held the GREAT GREEN PICNIC!!! There were stalls with great things to buy and everyone who went could treat themselves to a delicious pedal powered smoothie and a great green cake!

It was a great day for everyone who came!

At the event there were stalls, music, face painting and more, all representing 14 different organizations from the Wantage and Grove Community. There was a range of things to do, face painting and firing rockets for children, while adults could enjoy the music and find out some info about what the local organizations were all about.

EC said: "There was a great atmosphere and the location was excellent"
